TO OUR EXHIBITORS AND PATRONS:

In presenting the Manitoba Winter Fair Prize List for 1963 we feel that as grain prices level out, the significance of good livestock breeding and feeding becomes more important in the economy of Western Canada Agriculture.

The Manitoba Winter Fair has long been recognized as the medium by which the producers of high class livestock and grain could best display their products to the public. The Prize List has been set up on that basis and we hope that you will visit us and examine at your leisure the best that Western Canada can produce.

Plan to be in Brandon during the week of April 1st to April 6th. Watch the judging of the livestock, attend the sales and do not fail to take in the evening horse show where you are assured of outstanding entertainment.
